Dear Neil,

Every year the Hyde Park Chamber of Commerce awards a local business our Business of the Year award. Past recipients come together to select a deserving business for our most distinguished award. On behalf of the Hyde Park Chamber of Commerce, as well as its past recipients, I wish to congratulate The Anderson Center for Autism on being selected for the 2011 Business of the Year award.

On May 12<sup>th</sup>, 2011, the Hyde Park Chamber of Commerce will honor ACA at our Business of the Year dinner held at the Culinary Institute of America's, St Andrew's Café. During the evening we will also be awarding two scholarships to graduating seniors from Hyde Park, the Hyde Park Farmer's Market scholarship, and the Good Neighbor Award to graduate of Anderson Center for Autism. It is a wonderful evening. Again, Congratulations!

Very truly yours,

John Coppola

Hyde Park Chamber of Commerce, President
